

## Air-Grams

- Air-grams will be available for purchase at the stadium throughout the festival. The cost of each air-gram is \$2.00 (non-refundable donation).
- Every effort will be made to announce air-grams at the requested time, however, please be advised that “air-grams” are not guaranteed to be announced right before a bands’ field performance.
- While we will do the best that we can to announce them as requested, we often get more than can be announced between bands and cannot delay the festival due to air-grams.
- We will make every effort possible to air them at some point prior to the announcement of ratings at the end of the festival.
- In the rare event that an air-gram is not announced at all during the festival, unfortunately, we will not be able to refund the payment.
- Air grams are considered a non-refundable donation.
